10. NTD (National Transit Database) Annual Report – Independent Auditor Statement for Financial Data (IAS-FD). *Decennial requirement beginning Reporting Year (RY) 2018.*

- Independent Auditor Statement Requirements
  - For the Independent Auditor Statement for Financial Data (IAS-FD), the auditor must review all financial forms to ensure that the transit agency's accounting system follows the Uniform System of Accounts (USOA), the system uses accrual accounting or uses a directly-translatable method, and all financial data are compliant with the USOA.
- Suggestions for Auditor
  - Obtain and read the mapping of transit agency accounts to NTD USOA functions and object classes.
  - If no mapping is written, determine the mapping by identifying the personnel assigned responsibility for supervising the NTD data preparation and maintenance. Discuss the procedures for preparing NTD data (written or informal) with the personnel assigned responsibility for supervising the preparation and maintenance of NTD data to ensure that they are consistently applied across report years. Ask these same personnel about the retention policy that the transit agency follows as to source documents supporting NTD data reported on the following financial forms, as appropriate:
    - Funding Sources (F-10)
    - Uses of Capital (F-20)
    - Operating Expenses (F-30)
    - Operating Expenses Summary (F-40)

- Statement of Finances (F-60)
    - Reduced Reporting (RR-20) (Financial Section)
  - Review cost allocation procedures for allocating joint (shared) expenses by mode, type of service, and function as appropriate. Determine whether direct expenses are attributed to the correct mode, type of service and function. Determine if the indirect expenses are allocated using a reasonable method. Ensure that cost allocation variables are calculated every year using current Fiscal Year (FY) data.
  - *The auditor must identify in the IAS-FD any data that cannot be translated to the USOA or do not conform to NTD requirements. The auditor must describe the discrepancies.*
  - The transit agency must address any discrepancies before the CEO certifies the D-10 form and submits the NTD report.
- FTA Approval
    - Transit agencies must submit the IAS-FD to NTD with the annual report once every 10 years. The transit agency must submit the IAS-FD no later than the date of the last annual report revision (prior to the report closeout deadline.) The NTD may issue a Failure to Report finding if a transit agency does not submit an IAS-FD when required.
    - If there is a significant change in the transit agency's accounting system, another review must be performed (a new Independent Auditor Statement for Financial Data (IAS - FD)) and submitted to FTA. FTA may require a new review if there are substantial changes in financial data reporting.
    - FTA will approve the IAS-FD if the agency complies with one of the following conditions:
      - The transit agency adopts the USOA; or
      - The transit agency
        - Uses an internal accounting system other than the accounting system prescribed by the USOA;
        - Uses the accrual method of accounting or a directly-translatable method; and
        - Directly translates the system and accounting categories, using a clear audit trail, to the accounting treatment and categories the USOA specifies.

## Required Disclosures

### **Engagement Documentation**

All engagement documentation (working papers and all correspondence relating to the engagement) shall be retained for a period of five years from the date of the report, unless the ICPA is notified in writing by the legislative auditor or cognizant agency to extend the retention period. All of the documentation shall be available for inspection by the legislative auditor, any successor or principal auditor/accountant, the Louisiana State Board of CPAs, or any other agency recognized within the State of Louisiana to provide a quality assurance function. The ICPA must contact and obtain the express permission of the legislative auditor prior to giving access to engagement documentation to any parties other than those previously named individuals and organizations. All of the documentation will be provided by the predecessor auditor/accountant to the successor auditor/accountant at a cost of no more than \$.20 per copy, with no further fees assessed.

Any ICPA that participates in the RFP process shall:

1. As required under professional standards, answer specific inquiries of a potential proposer when those inquiries may affect the proposer's client acceptance decision.

2. Upon award of a contract creating a predecessor/successor relationship, the predecessor auditor/accountant shall provide responses to the inquiries required by professional standards. The predecessor auditor/accountant shall make all of the documentation available for review and for copying. This access shall be granted at a mutually convenient time and location, but shall occur within 10 working days of the request. This access includes trial balances, adjusting journal entries, analyses of balance sheet accounts (both current and noncurrent and those relating to contingencies), and documentation of the predecessor's understanding of the internal control, documentation of a permanent nature, such as bond amortization schedules and operating and capital leases, and documentation that supports the summary of significant accounting policies.
3. Any predecessor auditor/accountant that fails to make the engagement documentation available for successor auditor/accountant inspection and copying under rules of the legislative auditor shall be prohibited from participating in the RFP process.

### **Special Conditions**

The following special conditions are required to be a part of the proposal:

- The ICPA will notify the legislative auditor immediately, in writing, if there is any limitation on the scope of the engagement, to include denial of access to books and records or failure to provide the same in a timely manner.
- The ICPA will notify the legislative auditor immediately, in writing, if the ICPA firm decides to withdraw from the engagement. As a part of the notification, the ICPA will describe in detail the reasons leading to the withdrawal.
- The ICPA will notify the legislative auditor immediately, in writing, if any illegal or fraudulent acts are detected.
- The ICPA will notify the legislative auditor immediately, in writing, if the ICPA will be unable to complete an engagement within the required time. As part of the notification, the ICPA will provide all substantive reasons for the delay and an estimate of the revised completion date.
- The ICPA will notify the legislative auditor and state agency being examined immediately, in writing, if the ICPA encounters circumstances that make it necessary for the ICPA to perform added work beyond the scope originally anticipated, before beginning such work. As part of the notification, the ICPA will provide an estimate of the number of additional hours and the resulting fee.
- Should the ICPA decide to reissue the report, the legislative auditor must be notified immediately and the reissued report should be distributed in the same manner as the original report.
- No additional services will be performed for the state agency unless otherwise approved by the legislative auditor.
- The ICPA agrees to provide the legislative auditor, upon request and without liability, a copy of any peer review or other quality assurance reports performed on the firm or its engagements.
- The legislative auditor reserves the right to terminate the engagement contract at any time.

### **Legislative Auditor's Authority to Audit**

Under R.S. 24:513(A)(2), the legislative auditor has authority to audit all state agencies included within the state's comprehensive annual financial report. The legislative auditor reserves the right to cancel any and all parts of a contract resulting from this RFP at any time during the duration of the contract.

### **Contract Compliance**

Any deviation from the provisions of the engagement contract shall be submitted by the ICPA to the legislative auditor immediately in writing. Failure to comply with any part of the engagement contract, without appropriate advance approval, will result in the legislative auditor seeking remedial action. Depending on the engagement contract deviation, the remedial action may include (but is not limited to) canceling the engagement contract and/or prohibiting the ICPA from participating in the RFP process.

The completion date for an engagement is June 15<sup>th</sup> of each year. The legislative auditor will closely monitor compliance. The reports must be completed by and transmitted to the legislative auditor within the time frames included in the agency specific information. Should the ICPA be unable to complete an engagement within the required time, he/she shall notify the legislative auditor and the RPTA immediately in writing, providing all substantive reasons for the delay and an estimate of the revised completion date. Should the legislative auditor determine that such a revised completion date is unacceptable; the legislative auditor and/or the RPTA shall immediately cancel the contract and engage another ICPA to complete the work within an acceptable completion date. The cost of any incomplete work for which the ICPA named in the original contract was responsible shall be deducted from the contract fee. To the extent that the amount charged by the ICPA under the new engagement causes the total costs to exceed the original contract price, the agency reserves the right to proceed against the ICPA named in the original contract.

Timeliness will be considered in the award of engagement contracts and/or continuation of any engagement contracts. Failure to complete contracted work within the time periods specified in the contract will result in the firm's elimination from the RFP process as a non-responsive proposer.

### **Manager Rotation**

No ICPA shall be allowed to use the same engagement manager for a specific state agency for a period longer than six consecutive years. After the sixth year of an auditor/client relationship of an ICPA with a specific state agency, there must be a change of engagement managers. An engagement manager is the person who is primarily responsible for the successful completion of the engagement. The engagement manager works independently and does not receive direct supervision, although indirect supervision is received from higher level management.

The engagement manager generally:

- Controls, approves, and signs major communications with the agency and may sign communications with the legislative auditor.

- Advises the in-charge auditor/accountant during the planning phase and on the overall approach to the engagement.
- Provides technical assistance and consultation to the in-charge auditor/accountant.
- Reviews and approves the detailed engagement plan and programs and any modifications or amendments thereto.
- Attends entrance and exit conferences.
- Provides overall field supervision, to include review of the engagement documentation as needed and as appropriate depending on the experience of the in-charge auditor/accountant.
- Monitors the progress of the engagement.
- Approves findings and management letter comments.
- Performs a final review of the report draft for compliance with professional standards.
- Assumes responsibility for the correctness and adequacy of the engagement and the report draft.

### **Disadvantaged and Minority Firms**

It is the intent of the RPTA and legislative auditor to give disadvantaged firms and minority firms the maximum practicable opportunity to participate in contracts to examine state agencies. Disadvantaged firms are firms that have completed three or fewer governmental audits in the past three years (includes firms that have not completed any governmental audits in the past three years). Minority firms are firms that are majority owned and controlled by one or more minority individuals or minority business enterprises.

The legislative auditor will give special consideration to such firms in the contract process and to firms competing for engagements who intend to subcontract or jointly perform engagements with disadvantaged and/or minority firms.

### **Incomplete Proposals**

The legislative auditor and/or the RPTA reserve the right to reject proposals that are incomplete. While not an all-inclusive listing, any one of the following will cause the proposal to be considered incomplete:

- The proposal does not identify the state agency, contract period, or engagement periods.
- The proposal significantly departs from the format specified.
- The proposal does not specify the application of *Government Auditing Standards*.
- The proposal has not been signed by the ICPA.
- The proposal does not include the following confirmations:
  - There are no scope limitations.
  - The proposer meets the appropriate state licensing requirements.
  - The proposer meets the applicable independence standard relating to the agency.
  - The proposer has not had a record of substandard audit work nor engaged in unethical practices within the past five years.

- The proposer has procured appropriate professional liability insurance; and if awarded the contract, will maintain this insurance in full force and effect during the term of the contract; and will provide a true and correct copy of the required policy, together with all endorsements, riders or other additions or attachments to the policy which in any manner limit or restrict coverage to the legislative auditor within ten days of the date of execution of the contract.
- The pricing information is not placed in a sealed envelope.
- The pricing information significantly departs from the format specified (see Attachment A).
- The proposer fails to sign Lobbying Certification in Attachment B (FTA Third-Party Clauses) prior to proposal submittal or prior to signing of contract.

### **Evaluation**

Proposals will be evaluated using a two-step process. The first step involves a review of proposals submitted to the RPTA for their consideration. The second step involves the awarding of the engagement contract by the RPTA. Once the RPTA is satisfied with the top group of proposers, the pricing envelopes from the top group will be opened. The committee will award the contract to the ICPA submitting the lowest price for the engagement services, subject to the following:

- If there is reason to believe that an unreasonably low proposal has been submitted, the RPTA may reject the proposal on the basis that the ICPA is not independent with respect to the state agency.
- Disadvantaged and minority firms will be given consideration to the maximum extent practicable.
- The RPTA may award the contract to other than the ICPA submitting the lowest price if it determines that there are compelling reasons to do so.

The successful ICPA firm will be notified within 10 working days of the award of the contract.

### **Compensation and Payment**

Monthly billings will be allowed; however, no more than five billings per engagement period, not to exceed ninety percent of the contract fee for each period, will be permitted until the legislative auditor has received and accepted the report. Billings (interim and final) should be submitted to both the RPTA at:

River Parish Transit Authority  
P.O. Box 2444  
LaPlace, Louisiana 70069-2444

The successful proposer will enter into an engagement contract with the RPTA. Upon the ICPA's completion of the engagement and submission of the invoice to the RPTA, the RPTA will issue payment for services rendered.

If extraordinary or unusual circumstances are encountered which make it necessary for the ICPA to perform added work beyond the scope originally anticipated, before beginning such work, the ICPA shall immediately report such condition, in writing, to the RPTA. The ICPA must provide an estimate of the

number of additional hours and the resulting fee. The RPTA will consider the nature of the additional work and the related cost and will determine whether to amend the engagement contract.

### **Federal Transit Administration Mandatory Provisions Introduction and Terminology**

Contractor(s) agrees to acknowledge that the River Parishes Transit Authority has a grant agreement with the FTA, and Contractor(s) agrees to adhere to any and all terms and conditions of the grant agreement as they relate to obligations the Proposers would assume under this contract. The contractor(s) assumes all responsibilities for compliance with the United States Department of Transportation, Federal Transit Administration (FTA) Master Agreement, a copy of which can be viewed at <http://www.fta.dot.gov/documents/21-Master.pdf>.

Any obligation of a Proposer or Contractor(s) to comply with governmental standards or regulations shall include the obligation to document such compliance. Required FTA third-party contracting clauses are contained within Attachment B. Additionally, all proposals shall contain all certifications, duly executed, contained in Attachment C. Failure to do so may result in the RPTA's refusal to consider the proposal.

**Federal Transit Administration Third-Party Contract Clauses**

**NO GOVERNMENT OBLIGATION TO THIRD PARTIES**

The Recipient and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the Recipient, Contractor or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

**PROGRAM FRAUD, FALSE OR FRAUDULENT STATEMENTS, & RELATED ACTS**

The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. chapter 53, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5323(I) on the Contractor, to the extent the Federal Government deems appropriate.

The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

**ACCESS TO RECORDS AND REPORTS**

- a. Record Retention. The Contractor will retain, and will require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the

contract, including, but not limited to, data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third party agreements of any type, and supporting materials related to those records.

- b. Retention Period. The Contractor agrees to comply with the record retention requirements in accordance with 2 C.F.R. § 200.333. The Contractor shall maintain all books, records, accounts and reports required under this Contract for a period of at not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto.
- c. Access to Records. The Contractor agrees to provide sufficient access to FTA and its contractors to inspect and audit records and information related to performance of this contract as reasonably may be required.
- d. Access to the Sites of Performance. The Contractor agrees to permit FTA and its contractors access to the sites of performance under this contract as reasonably may be required.

### **FEDERAL CHANGES**

Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between Purchaser and FTA, as they may be amended or promulgated from time to time during the term of this contract.

Contractor's failure to so comply shall constitute a material breach of contract.

### **CIVIL RIGHTS**

#### **Civil Rights and Equal Opportunity**

RPTA is an Equal Opportunity Employer. As such, RPTA agrees to comply with all applicable Federal civil rights laws and implementing regulations. Apart from inconsistent requirements imposed by Federal laws or regulations, RPTA agrees to comply with the requirements of 49 U.S.C. § 5323(h) (3) by not using any Federal assistance awarded by FTA to support procurements using exclusionary or discriminatory specifications.

Under this Agreement, the Contractor shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof.

1. **Nondiscrimination.** In accordance with Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, disability, or age. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may issue.

2. **Race, Color, Religion, National Origin, Sex.** In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e *et seq.*, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. chapter 60, and Executive Order No. 11246, "Equal Employment Opportunity in Federal Employment," September 24, 1965, 42 U.S.C. § 2000e note, as amended by any later Executive Order that amends or supersedes it, referenced in 42 U.S.C. § 2000e note. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including sexual orientation and gender identity). Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.
3. **Age.** In accordance with the Age Discrimination in Employment Act, 29 U.S.C. §§ 621-634, U.S. Equal Employment Opportunity Commission (U.S. EEOC) regulations, "Age Discrimination in Employment Act," 29 C.F.R. part 1625, the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6101 *et seq.*, U.S. Health and Human Services regulations, "Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance," 45 C.F.R. part 90, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.
4. **Disabilities.** In accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12101 *et seq.*, the Architectural Barriers Act of 1968, as amended, 42 U.S.C. § 4151 *et seq.*, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against individuals on the basis of disability. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

#### **FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS**

The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement.

The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any RPTA requests which would cause RPTA to be in violation of the FTA terms and conditions.

## **ENERGY CONSERVATION**

The contractor agrees to comply with mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

## **TERMINATION**

### **Termination for Convenience**

RPTA may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in RPTA's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to RPTA to be paid the Contractor. If the Contractor has any property in its possession belonging to RPTA, the Contractor will account for the same, and dispose of it in the manner RPTA directs.

### **Termination for Cause**

If the Contractor does not deliver supplies in accordance with the contract delivery schedule, or if the contract is for services, the Contractor fails to perform in the manner called for in the contract, or if the Contractor fails to comply with any other provisions of the contract, RPTA may terminate this contract for default. Termination shall be effected by serving a Notice of Termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will be paid only the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract. If it is later determined by RPTA that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, RPTA, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

### **Opportunity to Cure**

RPTA, in its sole discretion may, in the case of a termination for breach or default, allow the Contractor [an appropriately short period of time] in which to cure the defect. In such case, the Notice of Termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to RPTA's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within [10 days] after receipt by Contractor of written notice from RPTA setting forth the nature of said breach or default, RPTA shall have the right to terminate the contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude RPTA from also pursuing all available remedies against Contractor and its sureties for said breach or default.

### **Waiver of Remedies for any Breach**

In the event that RPTA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this contract, such waiver by RPTA shall not limit RPTA's remedies for any succeeding breach of that or of any other covenant, term, or condition of this contract.

### **DEBARMENT AND SUSPENSION**

#### **Debarment, Suspension, Ineligibility and Voluntary Exclusion**

The Contractor shall comply and facilitate compliance with U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 C.F.R. part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," 2 C.F.R. part 180. These provisions apply to each contract at any tier of \$25,000 or more, and to each contract at any tier for a federally required audit (irrespective of the contract amount), and to each contract at any tier that must be approved by an FTA official irrespective of the contract amount. As such, the Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or RPTA to be:

- a. Debarred from participation in any federally assisted Award;
- b. Suspended from participation in any federally assisted Award;
- c. Proposed for debarment from participation in any federally assisted Award;
- d. Declared ineligible to participate in any federally assisted Award;
- e. Voluntarily excluded from participation in any federally assisted Award; or
- f. Disqualified from participation in any federally assisted Award.

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by RPTA. If it is later determined by RPTA that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to RPTA, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. part 180, subpart C, as supplemented by 2 C.F.R. part 1200, while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

### **DISADVANTAGED BUSINESS ENTERPRISE (DBE)**

#### **Overview**

It is the policy of RPTA and the United States Department of Transportation ("DOT") that Disadvantaged Business Enterprises ("DBE's"), as defined herein and in the Federal regulations

published at 49 C.F.R. part 26, shall have an equal opportunity to participate in DOT-assisted contracts. It is also the policy of RPTA to:

1. Ensure nondiscrimination in the award and administration of DOT-assisted contracts;
2. Create a level playing field on which DBE's can compete fairly for DOT-assisted contracts;
3. Ensure that the DBE program is narrowly tailored in accordance with applicable law;
4. Ensure that only firms that fully meet 49 C.F.R. part 26 eligibility standards are permitted to participate as DBE's;
5. Help remove barriers to the participation of DBEs in DOT assisted contracts;
6. To promote the use of DBEs in all types of federally assisted contracts and procurement activities; and
7. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.

This Contract is subject to 49 C.F.R. part 26. Therefore, the Contractor must satisfy the requirements for DBE participation as set forth herein. These requirements are in addition to all other equal opportunity employment requirements of this Contract. RPTA shall make all determinations with regard to whether or not a Bidder/Offeror is in compliance with the requirements stated herein. In assessing compliance, RPTA may consider during its review of the Bidder/Offeror's submission package, the Bidder/Offeror's documented history of non-compliance with DBE requirements on previous contracts with RPTA.

### **Contract Assurance**

The Contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The Contractor shall carry out applicable requirements of 49 C.F.R. part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as RPTA deems appropriate.

### **DBE Participation**

For the purpose of this Contract, RPTA will accept only DBE's who are:

1. Certified, at the time of bid opening or proposal evaluation, by the [*certifying agency or the Unified Certification Program (UCP)*]; or
2. An out-of-state firm who has been certified by either a local government, state government or Federal government entity authorized to certify DBE status or an agency whose DBE certification process has received FTA approval; or
3. Certified by another agency approved by RPTA.

### **DBE Participation Goal**

The national DBE participation goal is 10%. This goal represents those elements of work under this Contract performed by qualified Disadvantaged Business Enterprises for amounts totaling **not less than 10%** of the total Contract price. Failure to meet the stated goal at the time of proposal submission **may** render the Bidder/Offeror non-responsive.

### **Proposed Submission**

Each Bidder/Offeror, as part of its submission, shall supply the following information:

1. A completed **DBE Utilization Form** (see below) that indicates the percentage and dollar value of the total bid/contract amount to be supplied by Disadvantaged Business Enterprises under this Contract.
2. A list of those qualified DBE's with whom the Bidder/Offeror intends to contract for the performance of portions of the work under the Contract, the agreed price to be paid to each DBE for work, the Contract items or parts to be performed by each DBE, a proposed timetable for the performance or delivery of the Contract item, and other information as required by the **DBE Participation Schedule** (see below). No work shall be included in the Schedule that the Bidder/Offeror has reason to believe the listed DBE will subcontract, at any tier, to other than another DBE. If awarded the Contract, the Bidder/Offeror may not deviate from the DBE Participation Schedule submitted in response to the bid. Any subsequent changes and/or substitutions of DBE firms will require review and written approval by RPTA.
3. An original **DBE Letter of Intent** (see below) from each DBE listed in the **DBE Participation Schedule**.
4. An original **DBE Affidavit** (see below) from each DBE stating that there has not been any change in its status since the date of its last certification.

### **Good Faith Efforts**

If the Bidder/Offeror is unable to meet the goal set forth above (DBE Participation Goal), RPTA will consider the Bidder/Offeror's documented good faith efforts to meet the goal in determining responsiveness. The types of actions that RPTA will consider as part of the Bidder/Offeror's good faith efforts include, but are not limited to, the following:

1. Documented communication with RPTA's DBE Coordinator (questions of IFB or RFP requirements, subcontracting opportunities, appropriate certification, will be addressed in a timely fashion);
2. Pre-bid meeting attendance. At the pre-bid meeting, RPTA generally informs potential Bidder/Offeror's of DBE subcontracting opportunities;
3. The Bidder/Offeror's own solicitations to obtain DBE involvement in general circulation media, trade association publication, minority-focus media and other reasonable and available means within sufficient time to allow DBEs to respond to the solicitation;
4. Written notification to DBE's encouraging participation in the proposed Contract; and
5. Efforts made to identify specific portions of the work that might be performed by DBE's.

The Bidder/Offeror shall provide the following details, at a minimum, of the specific efforts it made to negotiate in good faith with DBE's for elements of the Contract:

1. The names, addresses, and telephone numbers of DBE's that were contacted;
2. A description of the information provided to targeted DBE's regarding the specifications and bid proposals for portions of the work;
3. Efforts made to assist DBE's contacted in obtaining bonding or insurance required by the Bidder or the Authority.

Further, the documentation of good faith efforts must include copies of each DBE and non-DBE subcontractor quote submitted when a non-DBE subcontractor was selected over a DBE for work on the contract. 49 C.F.R. § 26.53(b) (2) (VI). In determining whether a Bidder has made good faith efforts, the Authority may take into account the performance of other Bidders in meeting the Contract goals. For example, if the apparent successful Bidder failed to meet the goal, but meets or exceeds the average DBE participation obtained by other Bidders, the Authority may view this as evidence of the Bidder having made good faith efforts.

### **DBE Utilization Form**

The Bidder/Offeror shall also furnish the name and telephone number of the appropriate contact person should the Authority have any questions in relation to the information furnished herein.
