

Notice and Certification to Hold a Teleconference Meeting
River Parishes Transit Authority

In an effort to reduce and limit the spread of COVID-19 in Louisiana, and to preserve the health and safety of all members of the public, the Governor has declared the COVID-19 Public Health Emergency and ordered that it is necessary to limit public gatherings in a single place at the same time in an effort to avoid individuals being in close proximity to one another. As a result of the public emergency, the limitations imposed on public gatherings and personal interactions, and the need for a number of members to travel to any physical meeting location from parishes where confirmed cases of COVID-19 have occurred, the Chairman of the RPTA Board hereby certifies that in order to continue the public transit service operations, it is necessary to conduct the January 14, 2021 board meeting by teleconference in order to assure the presence of a quorum of the board members and to timely approve those matters necessary for continued operations.

Therefore, in accord with Section 4 of Governor's Proclamation Number 30 JBE 2020: Additional Measures for COVID-19 Public Health Emergency, the Chairman of the River Parishes Transit Authority Board (RPTA) will hold its January board meeting via teleconference.

The RPTA welcomes interested members of the public to participate in the teleconference. For information, please contact Stacy Van Sickle at (504) 313-0176 at least one hour prior to the teleconference.

Upcoming regular monthly meetings of the RPTA for 2021 will be held in locations and/or by methods to be determined and announced prior to the meetings and scheduled for the second Thursday of every month.

Corey Faucheux, Chairman of the RPTA Board
