

PUBLIC NOTICE – PRE-PROPOSAL CONFERENCE DATE CHANGE

Please note that the River Parishes Transit Authority (RPTA) is issuing a date change for the non-mandatory virtual pre-proposal conference for the 2024 RFP Oversight of Operating, Administrative and Financial Aspects of the Public Transit Service in St. Charles and St. John the Baptist Parishes Louisiana. Whereas the date of the virtual pre-proposal conference was originally set for Friday, March 29, 2024, we are postponing the conference in observance of Good Friday to Friday, April 12, 2024. Details about the time will be available on the RPTA website. Interested parties may also contact Stacy Van Sickle at stacy.vansickle@transdev.com or (504) 313-0176 in order to receive details for the rescheduled virtual pre-proposal conference.

This will require a change of dates to the remaining milestone dates within the RFP including: deadline for questions; deadline for responses; and deadline for RFP submission. An addendum will be published on the River Parishes website, www.rptarolls.org, and in L'Observateur on Wednesday, April 3, 2024.
